Police Court idlers frequently applaud witnesses.

A **TRUON** swore positively at the police court yesterday morning that he had seen a man knocked down "as dead as life."

RECEPTION.—General Wallace receives general visitors daily, without card. Promptly at 10 A. M. (Sundays excepted) he holds an official reception.

MOVING.—Restless citizens have already commenced to change their residences. We noticed several loads of household goods on the street yesterday.

CRITICISMS along the line of the street railway complain that the "mud editor," when riding upon the street cars, scrapes the paint of their houses with his heels.

WHEEL OFF.—A cart loaded with coal dropped a wheel in the middle of 18th street, above 8th, yesterday morning, and obstructed the road the greater part of the day.

MARRIED LAST NIGHT.—James H. Gaston, the pilot of the steamer James Rice, was married last evening to Miss Rity, Sims, of Virginia, Marshall County, opposite Clarington.

DECEASED.—Lydia McDonald, who, charged Wm. McDonald, her husband, with a disturbance of the peace on Tuesday, appeared before Squire Caldwell yesterday and paid the costs of the case, when it was dismissed.

FACE CUT.—On Wednesday afternoon a boy named Owens threw a piece of glass at a smaller boy at the South Wheeling Glass Works, cutting an ugly gash in his cheek. We were unable to learn the name of the injured boy. Owens is not over eight years old.

PERSONALIA.—Hob. W. T. Willey, of Morgantown, arrived in the city yesterday, and is stopping at the McLore House.

C. A. Woodward, Esq., of Cameron, Superintendent of the Fourth Div. of the B. & O. Road, was in the city yesterday.

PERSONALIA.—James Carr, a workman at the Belmont Mill, while moving a heavy mound yesterday, had two fingers of his left hand severely injured. The middle finger was broken and the forefinger mashed by the mound falling on it. Dr. Cummins attended to the injuries.

FALSE PRETENSES.—Lewis Radin is the name of the individual who complained that Levi Friedlander obtained from Joseph Outman goods to the value of \$23, on false pretenses. Officer St. Myers arrested Friedlander in Centre Wheeling last evening. The case will come up to-day before one of the Justices.

VALENTINE DAY comes on Saturday, this year. This is not a good day for hearts, and darts, and things; and is very apt to interfere with the free transmigration of "souls with a single thought." Letter carriers do not attempt to disguise their repugnance to the festival of St. Valentine, since it adds to their work, and is to them, at least, "Love's labor lost."

District Conference of the M. E. Church.

THIRD DAY.
The Conference assembled and was opened by religious exercises by Rev. T. H. Trainer.

The minutes were read, and, after corrections, approved.

The name of O. L. Olds was added to the list of Local Preachers passed and duly accredited.

The order of business was taken up, and the Committee to examine candidates for Local Deacons' orders reported that Revs. William Evans and Howson Riggs had passed satisfactory examinations, when on motion they were recommended to the Annual Conference for Local Deacons' orders.

An address was then delivered on "Ministerial Support," by Hon. C. D. Hubbard.

The subject was treated in a terse and vigorous manner, and was well received by the Conference. Remarks on the same were made by Messrs. Davenport, Stone, Newman and others.

The Committee to examine candidates for "Local Preachers" licenses, reported George Rine and Arthur Pierce as having passed satisfactory examinations, when on motion they were recommended to the Annual Conference for Local Preachers' licenses.

On motion the Conference adjourned.

AFTERNOON SESSION.
The opening exercises were conducted by Rev. Wm. G. Hobbs.

Reports of Committees were called for, when the Committee on Temporal Economy reported. Their report was received and adopted, and a copy of the same was requested for publication in the *Christian Advocate*.

The Committee on Enforcement of Discipline, touching popular amusements, entertainments and exhibitions, made a report which was approved.

A Committee on Rules of Order and Order of Business for the next District Conference was raised, consisting of Rev. J. R. Thompson, Dr. T. H. Logan and Rev. F. Ball.

The Committee on Sunday Schools made a report as follows:

Your Committee on Sunday Schools beg leave to report that they have not had time to examine the few reports that have been received from the schools of the district. The imperfect character of the reports received, with the fact that no reports have been received from many schools, as well as, in our judgment, imperfectly in order to more fully carry out the actual condition of the schools in this district at the present time. We are impressed, however, with the conviction that we have in the District Conference an organization which may be used to greatly improve and develop the interest in and the efficiency of the Sabbath School cause. What is wanted is a full report in detail from such schools. This has now been provided for in a resolution offered yesterday by Rev. Lyda and adopted by the Conference. We would recommend, in order to more fully carry out the object of this resolution, that previous to the meeting of the next District Conference printed blanks shall be furnished to each Superintendent, so that the reports may be made complete and uniform.

We would recommend also that at each session of the District Conference some time should be devoted to practical illustration of the best methods of teaching, of government and other subjects affecting the interests of Sunday School work.

We conclude our report by recommending the adoption of the following resolutions:

Resolved, That the Committee of Arrangement for the next District Conference be requested to arrange for the instruction of the next session of the Conference a practical illustration of the best methods of conducting Sunday Schools.

Resolved, That the same Committee be instructed to furnish printed blanks for Sunday School reports to each Superintendent in each district.

Resolved, That the Committee be instructed to assign fields of labor to the Local Preachers reported as follows:

The Committee on the work of local preachers and on the part of New Liberty circuit. Also for a district embracing a portion of Marshall circuit, Moundsville station.

They have divided the balance of Grave Creek circuit into two districts, which they have assigned to certain brethren, leaving the arrangement of the appointments to the brethren assigned to each work.

They have given a monthly work to Father Ally which is near his home on account of his age.

And recommended that the plan for balance of Local Preachers on General Circuit be to alternate in regular work with the pastor.

The committee ask that the Presiding Elder and preacher in charge be instructed at his first round in next year to arrange work and assign any brethren to the same in any work that the committee were not able to reach, because of absence of brethren or proper information. Also that the Presiding Elder be requested to give all aid and encouragement to the work in his quarterly rounds, by inquiry and his fatherly advice.

Respectfully submitted,
E. J. STONE, Chairman.

The plan of appointments was then partly announced by the Chairman, E. J. Stone.

At 7:15 P. M. Conference opened with religious services and singing by the choir.

Discussion.—By Rev. S. King, "How are the Unconverted members of the Church to be brought into Saving Relation with Christ?"

After the discussion religious services were held, and a resolution of thanks to the pastor, trustees, members and friends of Zane Street Church, for their hospitality in providing for the sessions of the Conference and the entertainment of the delegates was adopted.

A resolution was also adopted asking Senator Willey to permit the publication of the essay on "Local Preachers' Work." Adjourned.

Miss Mendenhall's lecture, "Which?" to-night.

POLICE COURT.—Four cases were examined by Judge Cramer yesterday morning, viz:

James Sweeney and John Goodwin are tramps by profession. John swore that James, without due leave or license first had and obtained, struck him on the jaw with such force that he for a time imagined that society had lost an ornament. All this in General Wallace's reception room. Sweeney carries in the city \$20 worth.

Joseph Mulien, of Pittsburgh, and Geo. Boyce, of Price's awkward squad, were arrested by Officer Jenkins for drunkenness, and fined \$20 each.

Daniel Crumbraker was charged with creating tumult and disorder on the 6th of July, 1873. L. H. Jordan, Esq., appeared as counsel for the defence, and pleaded limitation. As Crumbraker had been in this city once in the meantime, he was required to pay the costs in the case, which was dismissed.

"Which?" to-night at the Opera House.

KNOCKED DOWN BY A TEAM.—About 6 o'clock last evening as a man was crossing Main street at the corner of 19th, he was knocked down by Spedler's team, driven by Richard Braxton, and considerably bruised. The injured man bled profusely. He was either drunk or too badly hurt to give a coherent account of himself, as all the information we could obtain was to the effect that he was an Irishman and lived opposite the Hospital in North Wheeling. He was assisted to his home.

Miss Sallie J. Meholin lectures this evening.

PHILIP PHILLIPS.—To-morrow evening Philip Phillips, the "singing pilgrim," gives "An Evening of Sacred Song" in the Opera House. Mr. Phillips singing the *Daily Witness*, Montreal (Can.) says:

"The result of the singing of Philip Phillips before the Convention to-day was with an effect which was almost overpowering, and those having music in their souls will not soon forget the occasion of the singing."

PROCURER your seats for the Lecture this evening.

TWO CASES DISMISSED.—The case of George Nau, who was charged by Rose Ann Dawson with attempting to burn the house of Geo. Dawson, and threatening to poison his cow, came up before Squire Gillespie yesterday for examination.

Also a complaint entered by Thomas Dawson against Nau for a disturbance of the peace. Fred Rogers, Esq., appeared as counsel for the defence. Both cases were dismissed at the cost of the prosecution.

ACCIDENT TO A BRIDAL PARTY.—Yesterday afternoon an accident occurred to a bridal party in Centre Wheeling. A hack containing the bride and groom and attendants, in turning around to leave the residence of the bride, broke an axle, gently depositing the party in a corner of the vehicle. They crawled out without damage except to costumes, and succeeded in reaching the Bridgeport depot in time to go on their honeymoon rejoicing.

BLACK MOREN and colored morens, the new thing for Ladies' Skirts at J. S. Rhodes & Co.

THE LECTURE THIS EVENING.—Miss Sallie J. Meholin will deliver her great lecture, "Which?" this evening at the Opera House, and we look for a large attendance, which the lecture truly merits. Miss Meholin was very highly spoken of by the papers of this and adjoining places concerning her former lecture, and we assure all who do not attend this evening they will miss a rare treat. Give her a big house.

FINGERS SMASHED.—Nick Reester, with a corps of assistants, while moving one of those heavy castings, sort of upset a trussel. One of the men left his hand in the wrong place and had two of his fingers broken and bruised.

HEAVY UNDRESSED GERMAN LINES, vastly superior to the Irish, and a great bargain in Heavy Linen Towels, at J. S. Rhodes & Co's.

OFFICERS ELECTED.—At a meeting of the Board of Directors of the Peabody Insurance Company, the officers elected to serve for the ensuing year were: William Bailey, President; Alonzo Loring, Vice President; N. C. Arthur, Secretary; J. V. L. Rodgers, Assistant Secretary; Lewis Bailey, Cashier.

CAIRO HOR.—The "Old Dominion" Dancing Club gave one of their popular Calico Hops at their hall last night. Rigby furnished the music, and the Commercial Dining Room the refreshments. Of course it was a success.

If the candlelight reporter could be taught to stand on his head he would form a valuable adjunct to a Tennessee orchard in drying time. The sales of his papers would make excellent platforms for peach and apple-drying purposes.

A SPLENDIDLY CASED KNABE PIANO for sale at a great sacrifice at Shelby's Music Store. Will be sold for less than two-thirds the list price. Apply early.

MUSICAL INSTRUMENTS.—In making your selection of a Piano or Organ, don't fall to examine the stock of Messrs. Adams & Lucas, 1227 Market street. The instruments they represent, viz: the Steinway, Knabe and Emerson Pianos, the Mason & Hamlin and Smith American Organs, are universally acknowledged to be the leading instruments of the world, and taken together they make an assortment so varied that no one can fail to be suited in the selection of an instrument, either as to price or quality. Inasmuch as many unscrupulous dealers offer for sale instruments of questionable character and inferior quality, it would be well to bear in mind the fact that but few persons buy more than one instrument in a lifetime, hence the necessity of making a careful selection, for, as thousands of experienced parties can testify, it is cheaper, safer and better to buy instruments of established reputation, of good and respectable makers, than to risk money in doubtful experiments.

REDUCED PRICES.—Pictures of all kinds; 200 chromos just received, first class goods—no shoddy—half price. We sell for cash, or on weekly payments of only one dollar. William Bros., 2124, Main street, Centre Wheeling.

River News.
The river was falling very slowly yesterday, and in the evening the marks at the wharf indicated 8 feet in the channel. The Courier left for Parkersburg at 11 A. M. with an average trip.

The Rees, Forest City and Market Boy arrived and departed as usual.

The Rankin arrived from Pittsburgh about 1 P. M. and left a lot of Liverpool ware, iron and miscellaneous freight. She departed with the intention of laying up at Martinsburg until the river is free of ice.

Although there is a great deal of floating ice in the river it is not heavy enough to seriously impede navigation.

The little towboats belonging in this vicinity were apparently very busy yesterday.

The Express is the Parkersburg packet this morning.

The Skillegear did not arrive last evening. She will go from here to Pittsburgh and return on Monday. On Tuesday she will leave for below, and thereafter run between this city and Cincinnati alone.
